Re: STARR, Terry Lee  
Case No. CR407-002  
Reg. No. 13042-021

Dear Judge Edenfield:

Your court order, dated March 26, 2007, committed Terry Lee Starr to a mental health evaluation pursuant to Title 18, United States Code, Sections 4241 and 4242, to determine his competence to stand trial and mental state at the time of the alleged offense. Mr. Starr arrived at the Federal Medical Center (FMC), Lexington, Kentucky, on April 13, 2007. Pursuant to Title 18, United States Code, Section 4247, in addition to the evaluation period of 45 days beginning the day he arrived at our facility, due to the large number of evaluations received at this facility and in order to allow our clinical staff sufficient time to conduct a thorough examination, we are respectfully requesting an extension which would allow us an additional 30 days to complete the evaluation. Under such a time frame, the evaluation would be completed by June 27, 2007, and a report would be available to the Court by July 25, 2007.

If you concur with our request, please fax us a new order at (859) 253-8845. We sincerely appreciate your consideration in this matter.

Sincerely,

 Stephen M. Dewalt  
Warden
